Extra Eage .					XIIX
	COMMUNITY HEALTH NURSING	n e	Chapter 9	Management of Delivery of Comm	ıunity
•	COMMUNITY HEALTH NURSING-	11		Health Services	
Chapter 1 Chapter 2	Management of Common Conditions a	and		Conceptual Theory	151-164
	Emergencies Including First Aid	and		Conceptual Exercises	164-168
	Conceptual Theory	3-29		Conceptual Revision	168-169
	Conceptual Exercises	29-35	Chapter 10	Leadership, Supervision and Moni	itorina
	Conceptual Revision	35-36	chapter 10	Conceptual Theory	170-174
	-	00 00		Conceptual Exercises	174-177
	Reproductive, Maternal, Newborn,			Conceptual Revision	178-179
	Child and Adolescent Health			-	
	Conceptual Theory	37-65	Chapter 11	Disaster Management	
	Conceptual Exercises	65-70		Conceptual Theory	180-183
	Conceptual Revision	71-72		Conceptual Exercises	183-185
Chapter 3	Demography, Surveillance and			Conceptual Revision	186-187
	Interpretation of Data		Chapter 12	Biomedical Waste Management	
	Conceptual Theory	73-84		Conceptual Theory	188-190
	Conceptual Exercises	84-88		Conceptual Exercises	191-193
	Conceptual Revision	88-90		Conceptual Revision	193-194
Chapter 4	Population and its Control		Chanter 13	Health Agencies	
	Conceptual Theory	91-100	chapter 15	Conceptual Theory	195-199
	Conceptual Exercises	100-108		Conceptual Exercises	199-205
	Conceptual Revision	108-109		Conceptual Revision	205-207
Chauseur E	-				200 201
Chapter 5	Occupational Health	110 114			
	Conceptual Theory Conceptual Exercises	110-114 114-119	NU	RSING RESEARCH AND STAT	ISTICS
	Conceptual Revision	114-119			
	Conceptual Nevision	115-120	Chapter 1	Research and Research Process	
Chapter 6	Geriatric Healthcare			Conceptual Theory	211-214
	Conceptual Theory	121-127		Conceptual Exercises	214-219
	Conceptual Exercises	128-130		Conceptual Revision	219-220
	Conceptual Revision	131-131	Chapter 2	Research Problem/Question	
Chapter 7	Mental Health Disorders		chapter 2	Conceptual Theory	221-223
	Conceptual Theory	132-138		Conceptual Exercises	223-226
	Conceptual Exercises	138-141		Conceptual Revision	227-228
	Conceptual Revision	141-142		-	
Chanter C	-		Chapter 3	Review of Literature	
Chapter 8	Health Management Information Syst			Conceptual Theory	229-231
	Conceptual Theory	143-147		Conceptual Exercises	231-235
	Conceptual Exercises Conceptual Revision	147-149 149-150		Conceptual Revision	235-236
	Conceptual Revision	143-130			

Chapter 4	Research Approaches and Designs		Chapter 5	Postpartum Care/Ongoing Care o	of Women
	Conceptual Theory	237-240	•	Conceptual Theory	377-383
	Conceptual Exercises	240-247		Conceptual Exercises	383-389
	Conceptual Revision	247-249		Conceptual Revision	389-390
Chapter 5	Sampling and Data Collection		Chapter 6	Assessment and Ongoing Care of	Normal
Chapter 5	Conceptual Theory	250-256	Chapter o	Neonates	Normal
				Conceptual Theory	391-399
	Conceptual Exercises	256-265		Conceptual Exercises	400-405
	Conceptual Revision	265-267		Conceptual Revision	
Chapter 6	Analysis of Data			Conceptual Revision	406–407
	Conceptual Theory	268-269	Chapter 7	Family Welfare Services	
	Conceptual Exercises	270-272		Conceptual Theory	408-416
	Conceptual Revision	272-273		Conceptual Exercises	416-422
Chapter 7	Introduction to Statistics			Conceptual Revision	423-423
Chapter 7	Conceptual Theory	274-279			
	Conceptual Exercises	279-287			NIEGOLOGY
	Conceptual Revision	288-289	MIDW	IFERY/OBSTETRICS AND GY	NECOLOGY
	-			NURSING-II	
Chapter 8	Communication and Utilization of Rese	earch			
	Conceptual Theory	290-293	Chapter 1	Recognition and Management of	Problems
	Conceptual Exercises	293-297		during Pregnancy	
	Conceptual Revision	297-298		Conceptual Theory	427-472
				Conceptual Exercises	472-480
				Conceptual Revision	480-481
MIDWIFERY/OBSTETRICS AND GYNECOLOGY					
WIID W		JEOGI	Chapter 2	Recognition and Management of	Abnormal
	NURSING-I	JEOGI	Chapter 2	Recognition and Management of Labor	Abnormal
	NURSING-I		Chapter 2	Labor Conceptual Theory	Abnormal 482-510
Chapter 1	NURSING-I Introduction to Midwifery		Chapter 2	Labor Conceptual Theory Conceptual Exercises	
	NURSING-I Introduction to Midwifery Conceptual Theory	301-310	Chapter 2	Labor Conceptual Theory	482-510
	NURSING-I Introduction to Midwifery Conceptual Theory Conceptual Exercises	301-310 311-314		Labor Conceptual Theory Conceptual Exercises Conceptual Revision	482-510 511-515 516-517
	NURSING-I Introduction to Midwifery Conceptual Theory	301-310	Chapter 2 Chapter 3	Labor Conceptual Theory Conceptual Exercises	482-510 511-515 516-517
	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human	301-310 311-314		Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of	482-510 511-515 516-517
Chapter 1	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception	301-310 311-314 315-316		Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems	482–510 511–515 516–517 Postnatal
Chapter 1	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology)	301-310 311-314 315-316		Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory	482–510 511–515 516–517 Postnatal
Chapter 1	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiolog Conceptual Theory	301-310 311-314 315-316 (egy) 317-324	Chapter 3	Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision	482-510 511-515 516-517 Postnatal 518-530 530-537 537-538
Chapter 1	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises	301-310 311-314 315-316 (egy) 317-324 324-330		Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of	482-510 511-515 516-517 Postnatal 518-530 530-537 537-538
Chapter 1	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiolog Conceptual Theory	301-310 311-314 315-316 (egy) 317-324	Chapter 3	Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538
Chapter 1 Chapter 2	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision	301-310 311-314 315-316 Pgy) 317-324 324-330 330-332	Chapter 3	Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Theory	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538
Chapter 1	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm	301-310 311-314 315-316 Pgy) 317-324 324-330 330-332	Chapter 3	Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Theory Conceptual Exercises	482–510 511–515 516–517 Postnatal 518–530 530–537 537–538
Chapter 1 Chapter 2	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm Pregnancy (Antenatal)	301-310 311-314 315-316 (egy) 317-324 324-330 330-332	Chapter 3	Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Theory	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538
Chapter 1 Chapter 2	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm Pregnancy (Antenatal) Conceptual Theory	301-310 311-314 315-316 Pgy) 317-324 324-330 330-332 al	Chapter 3	Labor Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Theory Conceptual Exercises	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538 539–565 565–571 571–572
Chapter 1 Chapter 2	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm Pregnancy (Antenatal) Conceptual Theory Conceptual Exercises	301-310 311-314 315-316 (egy) 317-324 324-330 330-332	Chapter 3 Chapter 4	Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Theory Conceptual Exercises Conceptual Revision	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538 539–565 565–571 571–572
Chapter 1 Chapter 2 Chapter 3	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm Pregnancy (Antenatal) Conceptual Theory Conceptual Exercises Conceptual Revision	301-310 311-314 315-316 Pgy) 317-324 324-330 330-332 al	Chapter 3 Chapter 4	Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Assessment and Management of	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538 539–565 565–571 571–572
Chapter 1 Chapter 2	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm Pregnancy (Antenatal) Conceptual Theory Conceptual Exercises Conceptual Revision Physiology, Management and Care	301-310 311-314 315-316 Pgy) 317-324 324-330 330-332 al	Chapter 3 Chapter 4	Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Exercises Conceptual Exercises Conceptual Theory Conceptual Exercises Conceptual Exercises Conceptual Revision Assessment and Management of with Gynecological Disorders	482–510 511–515 516–517 *Postnatal 518–530 530–537 537–538 539–565 565–571 571–572 Women
Chapter 1 Chapter 2 Chapter 3	Introduction to Midwifery Conceptual Theory Conceptual Exercises Conceptual Revision Anatomy and Physiology of Human Reproductive System and Conception (Maternal, Fetal and Newborn Physiology Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of Norm Pregnancy (Antenatal) Conceptual Theory Conceptual Exercises Conceptual Revision Physiology, Management and Care during Labor	301-310 311-314 315-316 Pgy) 317-324 324-330 330-332 al 333-346 346-352 352-354	Chapter 3 Chapter 4	Conceptual Theory Conceptual Exercises Conceptual Revision Recognition and Management of Problems Conceptual Theory Conceptual Exercises Conceptual Revision Assessment and Management of High-Risk Newborn Conceptual Exercises Conceptual Exercises Conceptual Exercises Conceptual Exercises Conceptual Exercises Conceptual Revision Assessment and Management of with Gynecological Disorders Conceptual Theory	482–510 511–515 516–517 Postnatal 518–530 530–537 537–538 539–565 565–571 571–572 Women 573–608
